August 16, 2017

Dear Parents,

Our lunch program will start the week of September 11th. Please provide a healthy lunch for your child for September 7th and 8th. Luigi O'Grady's Deli & Catering, located right here in Pearl River, will be servicing our lunch Monday through Thursday. Pizza will be offered every Friday from Milano's Pizzeria.

Lunch orders need to be submitted on a weekly basis, on or before Thursday, 1:00 p.m. for the following week. *For example, if you want to place an order for the week of September 11th, you will need to place the order by 1:00 p.m. on Thursday, September 7th.* Orders that are placed past 1:00 p.m. **will not** be processed as the portal shuts down for that week.

Please refer to the school calendar when ordering lunches. Credits will not be given for lunches ordered on days we are not scheduled to be in school. However, if your child is absent due to illness or a family emergency, your account will be credited by the school.

I have attached the SMS Lunch Portal Parent User Guide to help you set up a lunch account. I have assigned each family a Family ID and PIN number. If you wish to participate, please contact me and I will provide you with this information. I have also attached the lunch menu for the 2017-18 school year.

Thank you.

Brenda Maul
